Dear Do:

Congratulations; your application to CopyPress has been accepted!

Please log into our system to get started writing for us. Simply click on the link below and enter your login information:

http://content.copypress.com

Username. writer
Password: Test

Before you begin writing, you'll need to familiarize yourself with our guidelines. Please click on the link that reads "Copywriter Manual." There, you'll find information to help you complete your first assignment with us.

You can also visit our FAQ page for more information.

Again, congratulations; you're joining a team of accomplished, talented writers. We look forward to working with you.

Sincerely,
CopyPress

CONGRATULATIONS

If you're receiving this document, you've been accepted to join the CopyPress Community!

You should have received an email similar to the one above providing you with your username and password. You can change your password after logging in.

Through out this instructional guide you will see two types of boxes, the red ones contain important information about the page you are viewing. The orange ones tell you where to go/click to get to the next page.

Now you're ready to login!

This is where you go to login to get to your account with the username and password provided to you in the welcome email.

The writer's manual is your main source to find information regarding the type of article you've been assigned to, our lifecycle process, rules, contact information, etc. You MUST be very familiar with the manual so you are well rehearsed in our process. If you're unclear about anything on the manual please contact your Community Manager to receive clarification.
