Fruchi Fund Raisers!

Time sure flies when you are having fun! We can't believe it's back-to-school time already...and we hope you had a great summer!

As you and your family gear up for another school year, ***we are excited to announce a new and profitable fund raising option for you!***

Fruchi Traditional 'Take Order' Fund Raiser!

Many of you know Fruchi as a great product to sell as a concession item. Now, you can also sell Fruchi as a traditional 'take order' fund raising product! We've been busy putting the final touches on the program and testing it out with a few groups. The bottom line: Great Results!

We designed the Fruchi Fund Raising program to be easy to implement and execute. Still, you will have a dedicated Fruchi sales rep to support you every step of the way:

- Kick off the fund raiser with you at an event to get the kids excited and answer any questions
- Provide customized sell sheets and order forms for everyone

- Provide an email template for the kids to use in selling
- Coordinate a 'Fruchi Pick Up Day' at your school
- Answer any questions you have along with way
- Help you make the fund raiser a success!

Besides offering a *new, different, ridiculously delicious and nutritious alternative* to the other fund raising products out there, we also provide a variety of pack sizes and competitive pricing so you can be sure it will be an easy sell for your fund raisers.

In fact, your profit averages about 40 percent of your selling price!

We hope you will explore Fruchi as an option for any fund raising needs you have. If you would like more information or have any questions, please email us at info@fruchi.com or call us at 952.933.2393.

And of course, please keep us in mind for any events you have coming up...we love working with you!

As always, we appreciate your support!
